Dear Mrs. Young,

Thank you for sending me the policy documents, and I would like to say how pleased I am with Annuity Advisor.

After contacting you via the internet I have received a personal, informative and straightforward service.

The main advantage though, is that through you I have achieved a much higher annuity than I would have received from my original pension provider.

I have no hesitation in recommending to anyone who is about to take out an annuity, to contact Annuity Advisor co.uk. through the internet and benefit in the same way as myself.

Yours sincerely

R.J. England
